Nota de la secretaría

El Comité Preparatorio aprobó en su primer período de sesiones los acuerdos propuestos para la acreditación y participación en el proceso preparatorio y en la Conferencia Mundial. La secretaría de la Conferencia ha recibido solicitudes de acreditación de organizaciones no gubernamentales y otros grupos principales y formulado recomendaciones al Comité Preparatorio al respecto.

1. En su resolución 58/214, la Asamblea General alentó a los grupos principales indicados en el programa 21 a que hicieran contribuciones efectivas a la Conferencia Mundial sobre la Reducción de los Desastres (CMRD) y los invitó a que pidieran acreditación en la Conferencia y en su proceso preparatorio.
2. En su primer período de sesiones, el Comité Preparatorio aprobó los criterios y procedimientos de acreditación en el documento "Suggested arrangements for accreditation and participation in the preparatory process and in the World Conference on Disaster Reduction of relevant non-governmental organizations and other major groups" (A/CONF.206/PC(I)/INF.1).
3. Las organizaciones no gubernamentales (ONG) y los demás grupos principales que no entren actualmente en ninguna de las categorías de acreditación aprobadas¹, pero que deseen asistir y hacer aportaciones a la Conferencia y a su proceso preparatorio, pueden solicitar su acreditación a la secretaría de la Conferencia, facilitando la información indicada en el documento A/CONF.206/PC(I)/INF.1. Esa acreditación se limitará exclusivamente al proceso de la CMRD.
4. Se pide que la secretaría de la Conferencia, con el apoyo del Servicio de Enlace de las Naciones Unidas con las Organizaciones no Gubernamentales y otros órganos pertinentes, examine, según proceda, la pertinencia de la labor de los solicitantes basándose en sus antecedentes y su participación en cuestiones de desarrollo sostenible, en particular en la esfera de la reducción de los desastres. Si, sobre la base de la información facilitada, en la evaluación se demuestra que la ONG o grupo principal solicitante es competente y sus actividades son pertinentes a la labor de la Conferencia Mundial, la secretaría recomendará al Comité Preparatorio que se pronuncie a favor de su acreditación. Cuando no se haga esa recomendación respecto de una ONG u otra organización, la secretaría de la Conferencia comunicará al Comité Preparatorio los motivos para ello. También se pide que la secretaría de la Conferencia presente sus recomendaciones al Comité Preparatorio dos semanas antes del comienzo del segundo período de sesiones del Comité Preparatorio. Las ONG u otros grupos principales que hayan sido acreditados para asistir a un período de sesiones del Comité Preparatorio podrán inscribir a sus representantes para que asistan a todos los períodos de sesiones posteriores del Comité y a la Conferencia.

La secretaría de la Conferencia ha recibido y evaluado diversas solicitudes debidamente cumplimentadas, recibidas antes del plazo final para la presentación de las solicitudes, el 31 de agosto de 2004, que presentará al Comité Preparatorio para que las examine en su segundo período de sesiones. La lista de las ONG y otros grupos principales recomendados por la secretaría de la Conferencia figura en el anexo. En el momento de redactar el presente documento la secretaría de la Conferencia no había recibido ninguna solicitud que no mereciera su recomendación. En el caso de que la secretaría decida no recomendar a una organización posteriormente, lo comunicará en una adición. Las solicitudes presentadas fuera de plazo o no cumplimentadas debidamente no se incluyen en el presente documento.
