

World Conference on Disaster Reduction
18-22 January 2005, Kobe, Hyogo, Japan

Title	Disaster Risk Reduction for Megacities in Asia: Planning and Implementation
Organizations	<i>EMI & Kobe University (RCUSS & Committee on 10th Memorial Events for Kobe EQ)</i>
Speakers	Fouad Bendimerad (EMI会長) Louise Comfort (ピッツバーグ大学教授) Ray Punongbayan (EMI 常務理事), Lourdes Fernando (Marikina市 市長) Yasuo Tanaka (神戸大学都市安全研究センター 教授)
Report	<p>This international symposium was organized jointly by EMI & Kobe University (RCUSS & Committee on 10th Memorial Events for Kobe EQ). This is a follow up meeting to the International Symposium on 1/21 as organized by EMI & Kobe University, and it was not open to public in order to achieve an agreement on the implementation schemes of disaster reductions among the participants.</p> <p>The implementation of disaster reduction schemes in megacities in Asia and in the world is discussed by the representatives from megacities from all over the world (Eg. Mayor of Marikina City, Metro Manila and Manager of Department of Disaster Management, Los Angeles, California). Also discussed is the EMI's program of 3cD for promoting the implementation of disaster reduction plan in magacities.</p>
