

**Third International Conference on Early Warning**  
**27-29 March 2006, Bonn, Germany**

---

## **Official Call for Abstracts - Guidelines**

The organizers of the Third International Conference on Early Warning (EWC III) invite the submission of scientific abstracts on the following topics:

- Mega Events and Early Warning
- People, Politics and Economics in Early Warning
- Multi-Hazard Approaches in Early Warning

Only a small number of outstanding abstracts can be presented at the conference's Scientific and Technical Symposium, but all deserving papers will be collated in an EWC III publication. In addition, some applicants will be given the opportunity to present their work as part of a poster exhibition at the conference venue.

### **Deadline for submission**

Wednesday, 30 November 2005

### **Format**

The abstracts should not exceed 500 words in length and be written with a view to informing decision-makers and practitioners rather than the scientific community alone. All abstracts should be submitted in English in MS Word or rtf / txt format by email to [ewc3@un.org](mailto:ewc3@un.org) or be addressed to the secretariat of EWC III, UN/ISDR, Palais des Nations (room A576-578), CH-1211 Geneva 10, Switzerland. For updated information on the conference, please visit [www.ewc3.org](http://www.ewc3.org)
